Connie,

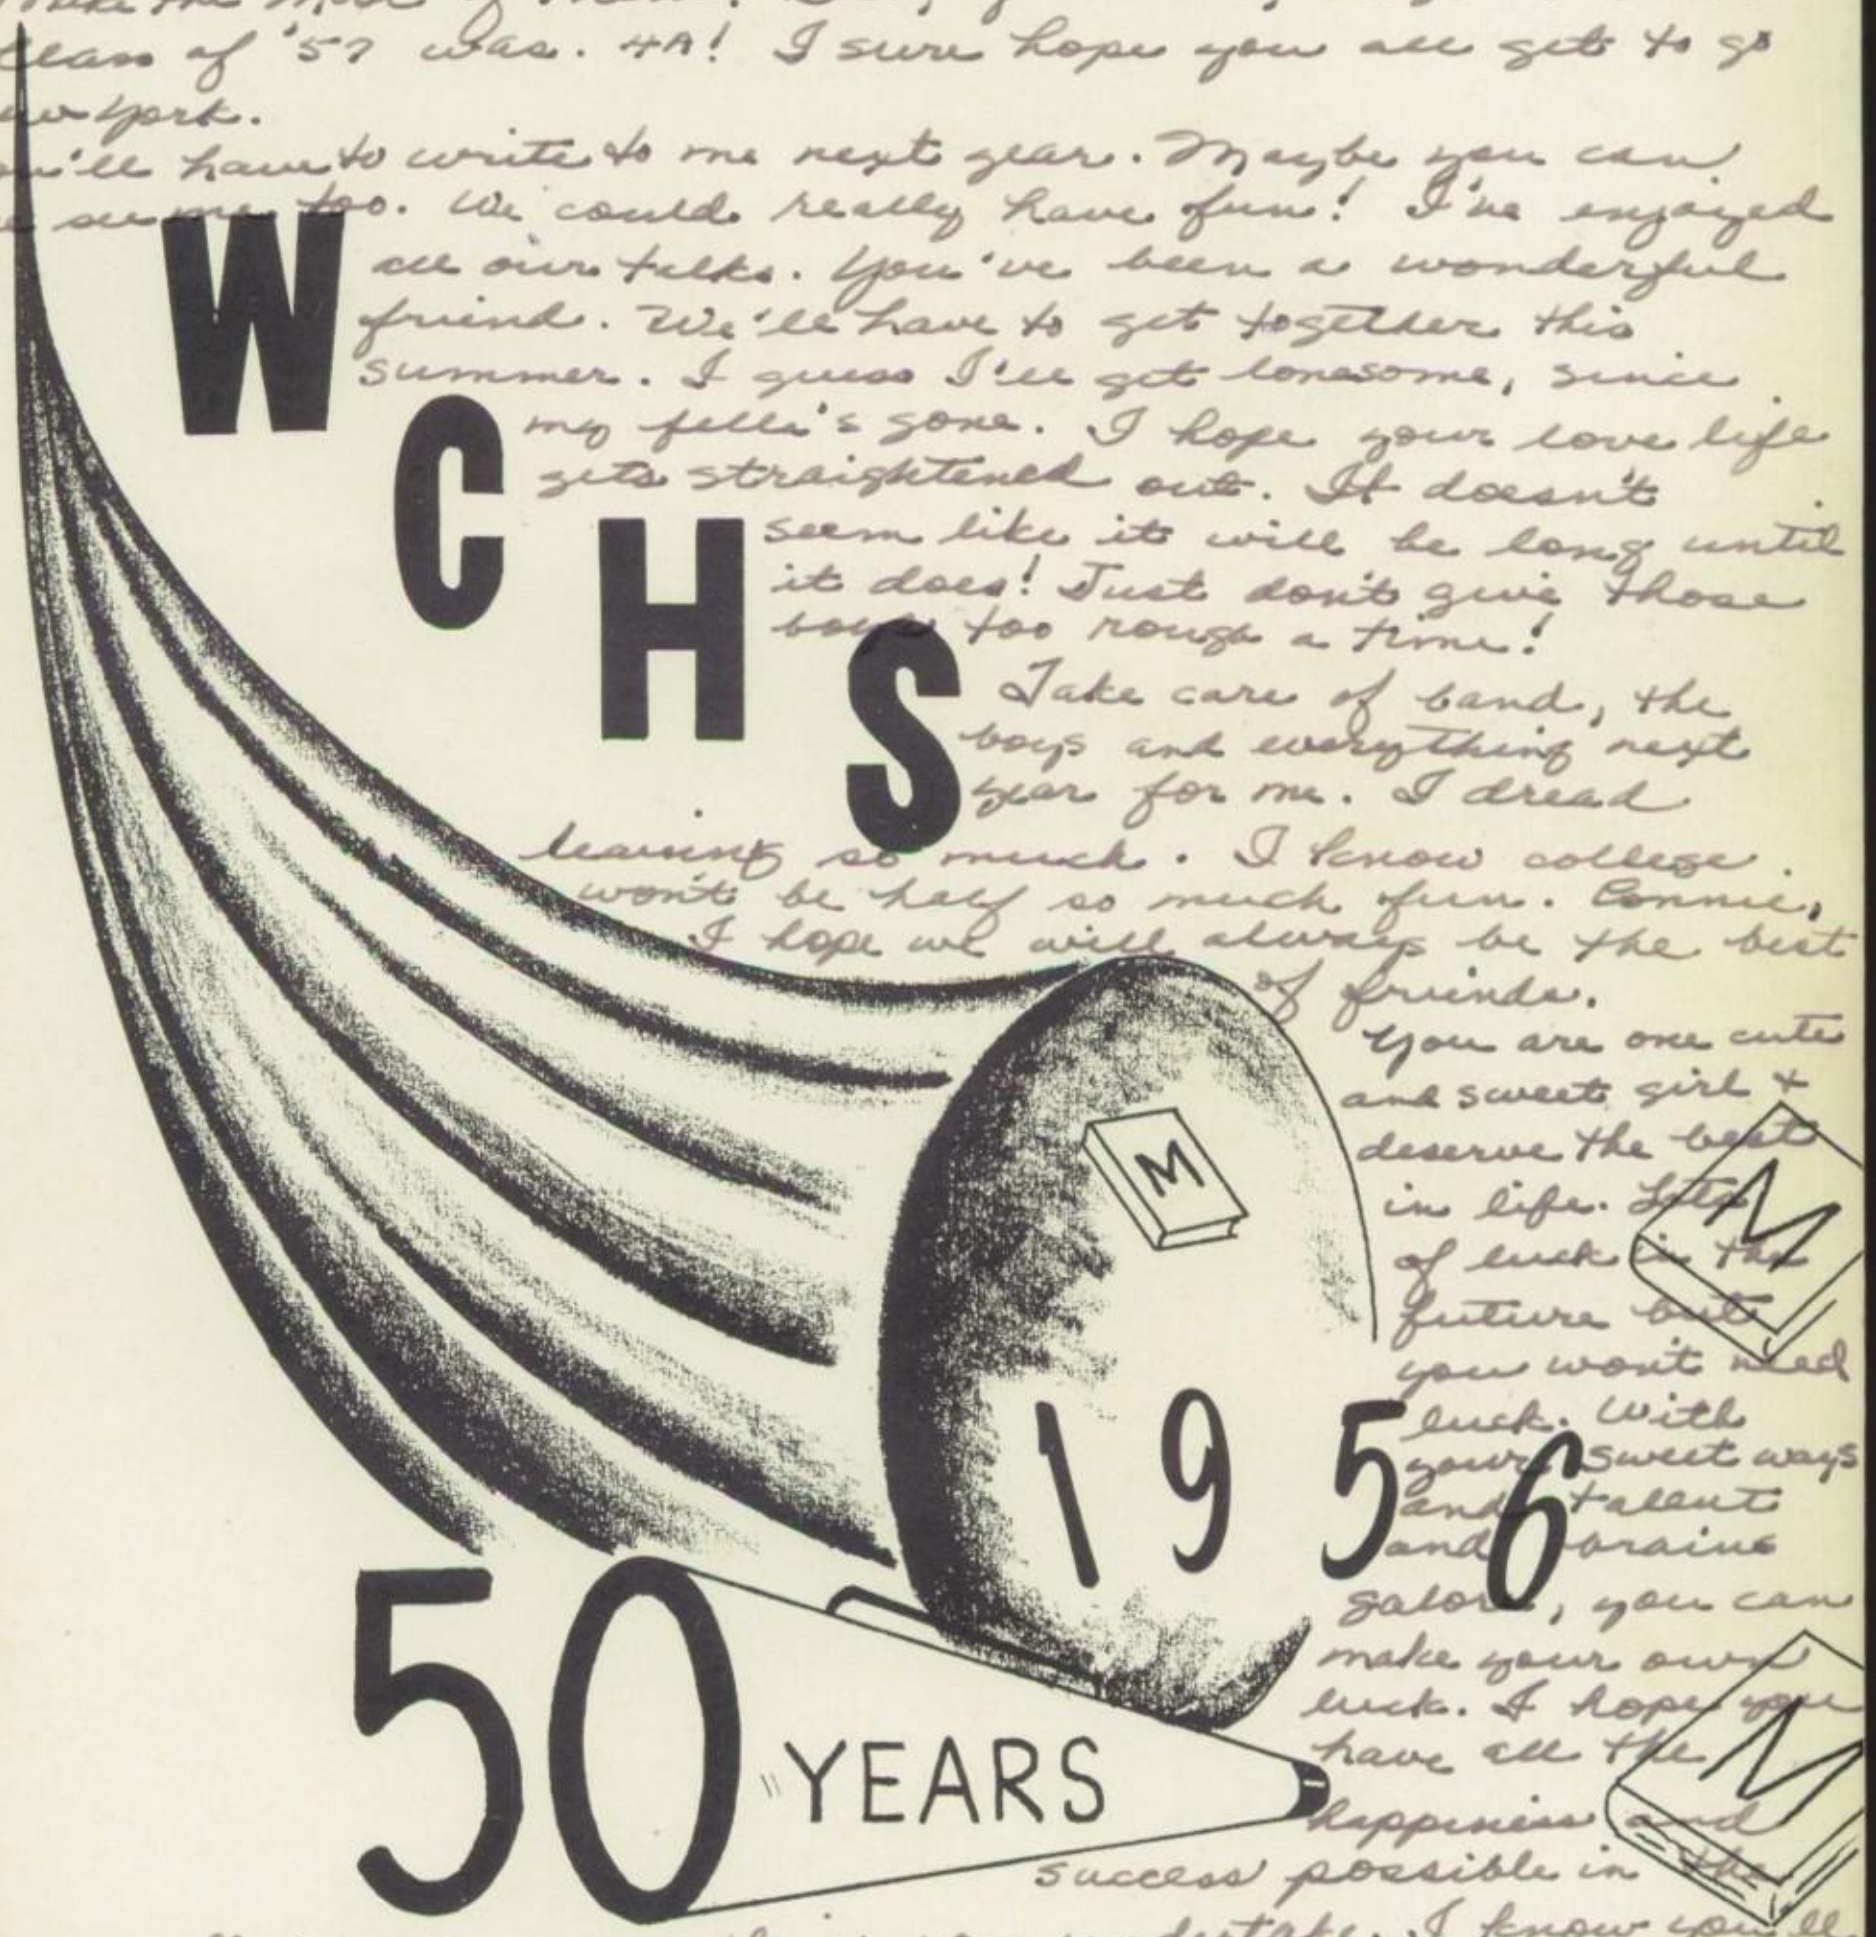
I'm writing on this page because it has the most room on it and I need plenty to say everything. I'll never forget these past three years that I've known you. We have really had loads of fun - especially the Richmond trips. I'll never forget all our good times.

I sure will miss you and WCHS next year. I've had such a ball! You have two great years to look forward to. Make the most of them! But, of course, be good. Like the class of '57 was. HA! I sure hope you all get to go to New York.

You'll have to write to me next year. Maybe you can come see me too. We could really have fun! I've enjoyed all our talks. You've been a wonderful friend. We'll have to get together this summer. I guess I'll get lonesome, since my fella's gone. I hope your love life gets straightened out. It doesn't seem like it will be long until it does! Just don't give those boys too rough a time!

Take care of band, the boys and everything next year for me. I dread leaving so much. I know college won't be half so much fun. Connie, I hope we will always be the best of friends.



You are one cute and sweet girl & deserve the best in life. Lots of luck in the future but you won't need luck. With your sweet ways and talent and brains galore, you can make your own luck. I hope you have all the happiness and success possible in the future. Good luck in anything you undertake. I know you'll do well. Never forget me and our Class of '57.

We'll all be back in five years for our reunion. I'm looking forward to that. I guess I'll be married with a herd of kids if everything works out. Connie, I value your friendship and hope it will continue after graduation.

Be good. Love always,

Donna

WARREN COUNTY HIGH SCHOOL

WE ARE GREATLY INDEBTED

To those who fifty years ago saw in Warren County High School a hope—a hope that she would someday be a great school—; to all who remained loyal to her through adversity and success, disappointment and prosperity; to all who dedicated their lives that we today might have the opportunity to learn.

To the men and women who, as superintendents, supervisors, principals, and teachers, have for fifty years guided and shaped the destiny of Warren County High School, the **1957 MIRROR** expresses its gratitude. Each phase of the life of this institution is a reflection of the character of its leaders, and for this reason Warren High is outstanding—her record is good. Her leaders have been an all-powerful force of motivation in Warren High. Their untiring efforts have never lost the spirit of service and progress.

These men and women have not labored in vain. They have created a past of which we are proud; they have made today a reality; they have opened the door to an even brighter future.

ALMA MATER

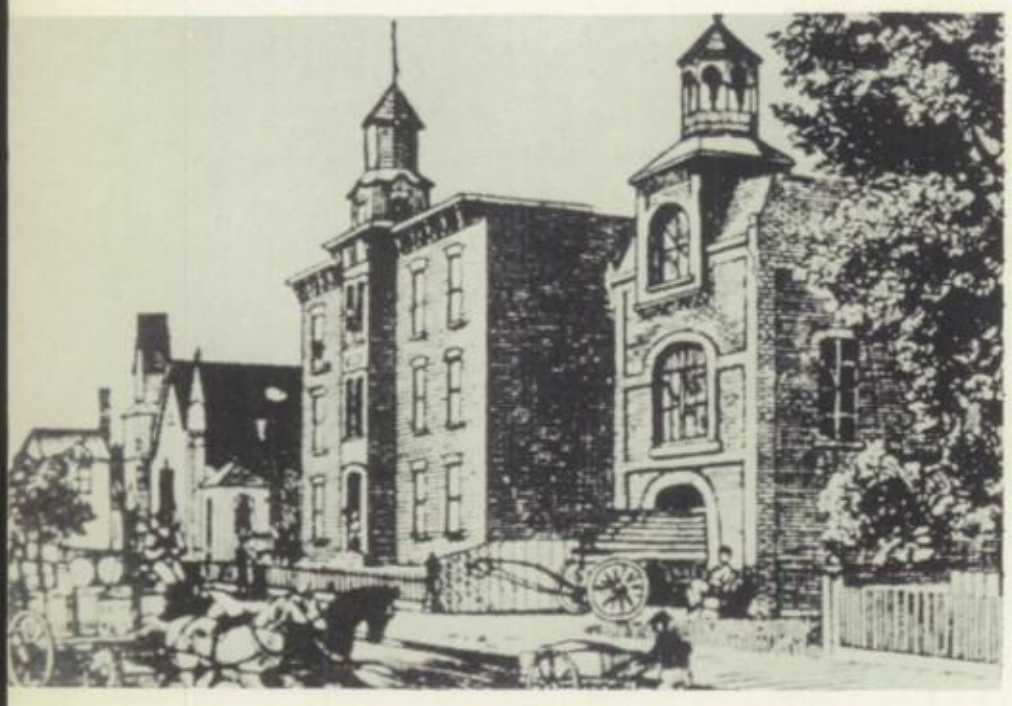
All Hail! Alma Mater,
We sing our praise to thee.
Loyal and faithful,
We will ever be.

All Hail! Alma Mater,
We give our best to thee.
Honoring thee forever
With all sincerity.

Chorus

With magic in our singing
To strengthen that great tie
Our triumphant voice is ringing
For the spirit of Warren High,
All Hail! Alma Mater
All Hail! Hail to thee.
Hail! Alma Mater
Hail! Hail to thee.

THROUGH THE YEARS . . .



This is our birthplace—"Oddfellows Hall"—1906

Second floor "Davis Hall" was transformed from an "opera house" to our second home in 1908.

. . . Warren County High School has been a symbol of the search for wisdom and truth. Her history is written in the hearts of graduates who have carried her influence to all parts of the world.

Since her founding in 1906, our high school has continued to produce men and women who have taken their places in the world with greater wisdom and keener understanding gained in the years spent here.

Come with us, as we relive the golden memories of our first fifty years.

CHAPTER I

Chapter I in the story of Warren County High School reveals the act of creation, the motive behind the act, and the immediate effects of the act. On March 14, 1906, in order to further public school education, the legislature of the State of Virginia enacted a law which provided for the establishment and maintenance of a system of public high schools.

Although certain high school subjects had been taught in the county for more than thirty years, a four-year high school did not begin operating until the 1906-1907 session, following the act of 1906.

The first high school, known as Front Royal High School, had its beginning in a three-story brick building located on South Royal Avenue. At that time the building, which also housed the graded school, was known as "Oddfellows Hall." Mr. Thomas W. Troxwell was first principal of the high school department which boasted four teachers and forty students.

During the period 1906-1908 commercial work was introduced in the high school curriculum.

CHAPTER II

In 1908 increased enrollment made it necessary to move the high school to "Davis Hall," a building on Main Street formerly used as an Opera House. The high school now had four classrooms, a study hall, and an assembly hall.

The two-year stay in "Davis Hall" saw the introduction of a normal training course for teachers.

CHAPTER III

A second transfer was made in 1910 to a new $25,000 brick building on Crescent Street, known as the Front Royal High and Graded School. This building contained eleven classrooms, an auditorium, a principal's office, and a library.

Mr. A. B. Bristow was the first principal in the new location. The first graduating class, of five members, received their diplomas in this building.

The next few years witnessed the consolidation of several county schools and in 1918 the name of Front Royal High School was changed to Warren County High School by the county school board. However, this change did not actually take place until the 1923-1924 session. Consolidation brought about our bus transportation system, and this in turn soon over-loaded the high school facilities.

To provide four additional classrooms, the front basement of the high school was excavated in 1923 at a cost of $4000. The next expansion took place in 1927 to provide three additional classrooms. Upon the completion of a new primary building in 1936, five more classrooms were made available for the high school department.

Several changes also took place in the high school curriculum during this period. In 1920 the normal training course was discontinued. An agricultural course, with accompanying shopwork, was added in 1927. In 1934 the band and choral groups were organized. Home economics was introduced in 1936.

During the stay in the Crescent Street building, numerous extra-curricular activities were introduced including the annual and various vocational-related clubs.

The eighth grade was added in 1928 and a five-year high school began operation.

CHAPTER IV

An announcement, in 1937, that the American Viscose Corporation intended to locate a large rayon factory in Warren County made it necessary to act at once to plan for a new high school building.

Sixteen acres fronting on West Shipe Street and crowning a hill in southern Front Royal were purchased for $15,000 as a site for the new high school. Construction began in 1938 and the $300,000 structure was completed for the 1940-1941 session.

This building, one of the best equipped in the state, contained eighteen classrooms, four laboratories, a five-room home economics department, an auditorium seating 975 persons, a double gymnasium, a sound-proof music room, a cafeteria and kitchen, a library, three offices for the administration, thirteen offices for teachers, four locker rooms, and a vocational shop. Special features of the school include: an automatic clock-and-bell system, a public address system over which announcements can be made to the entire school, and individual lockers. To this plant, four more classrooms were added in 1951 in order to accommodate the rapid increase in enrollment.

Mr. Q. D. Gasque, who became principal of the high school in 1925, served as principal in our present location until 1945. At that time he became Division Superintendent of Schools for Warren and Rappahannock Counties, and Mr. James S. Duff succeeded him as principal. There were

A home of our own—a "dream come true" in 1910

500 students enrolled in W. C. H. S. in 1940. Today our school has an enrollment of 1,020 students.

In 1940 a course in general shopwork was added to the high school curriculum. With the co-operation of local merchants, a course in distributive education was established in 1946. Improvements have also been made in the college preparatory course. Students in the four upper grades may now take advantage of four years in English, social studies, and mathematics; three years in science; and two years in Latin, Spanish, and French. Four years of physical education are available to all students. Those with special artistic talents may also take advantage of our art program.

Today our school boasts a student council, six service groups, five musical organizations, two publications, ten class-related clubs, a sports club, and eight athletic teams. Each organization makes a vital contribution to our life at Warren High.

Special high-lights this year include our band performance at the Mosque in Richmond for the Virginia Education Association Convention this fall, and our undefeated football team, the first in our history!

As this year draws to a close, golden memories of our first fifty years mingle with golden dreams of the future, and we look backward to a most wonderful past—forward to a more glorious future.

FOREWORD

Today the **Mirror** Staff looks back on education in Warren County High School. It is a long glance for it covers a full fifty years. It sweeps through four different buildings, five superintendents, and an untold number of principals and teachers. It covers you, the pupil, the essential ingredient of all high school activities.

Fifty years ago this glance into the past would have held nothing but the ambition of leaders. Today it holds fifty years of accomplishments in the field of education.

Since 1906, when a high school was begun in Warren County, until the present time, many golden memories have made their appearance. School days provide us with more experiences, opportunities, moments to remember, friendships, and excitement than we could ever find so combined elsewhere.

Warren County is proud of these fifty years; we of the **Mirror** Staff are proud of them. It is our privilege to invite you to review with us these years, and to help us celebrate the Golden Anniversary of high school education in Warren County. There will be memories—**Golden Memories—of . . .**

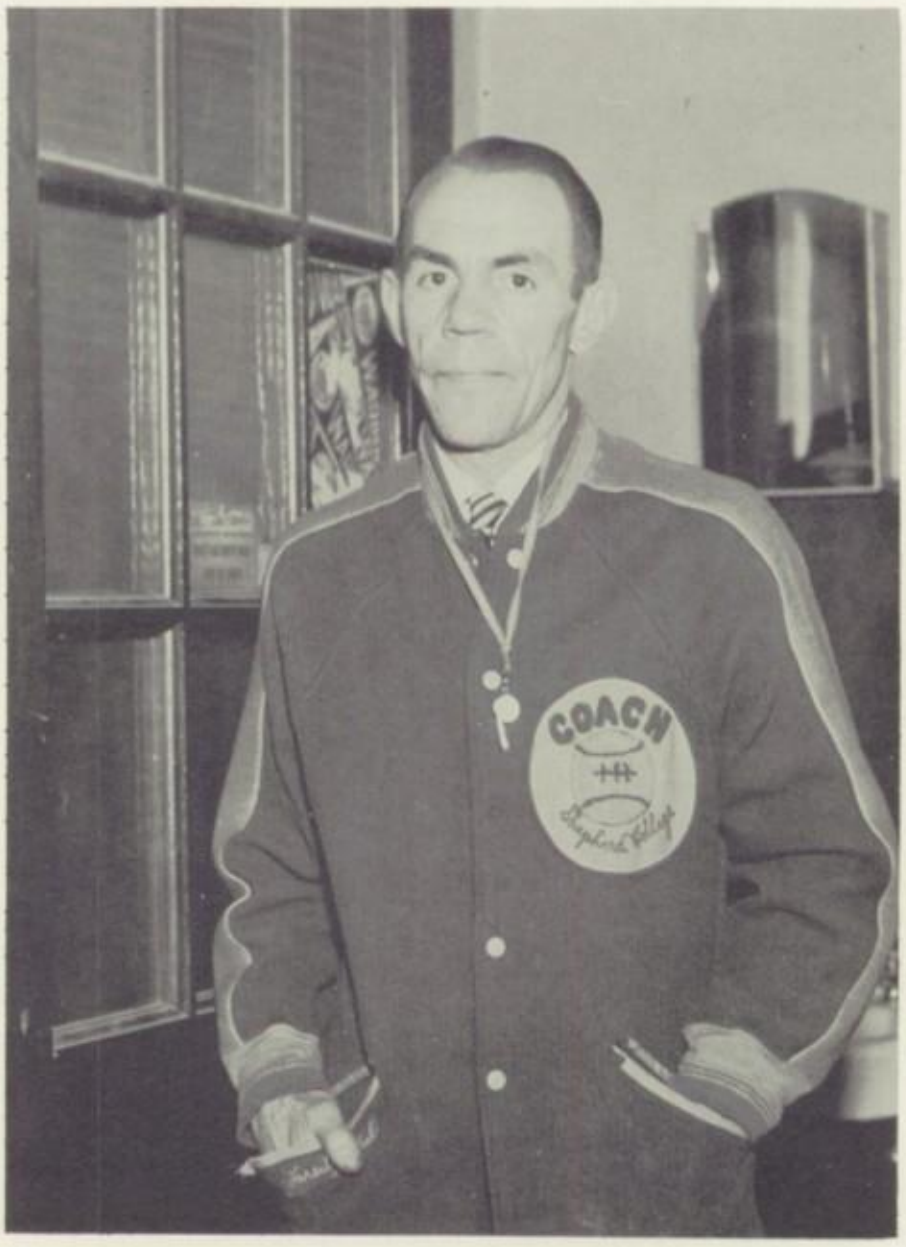
A TRIBUTE



To Coach Eck Miers, a man who has contributed much to the athletic life of Warren High, we pay tribute in this, our **1957 Mirror.** As a coach he has built teams we are proud of, and his undefeated football team is a golden memory of our fiftieth year.

His patience and understanding have won him a place in the hearts of all of us, and our pride and admiration will go with him always.

HIGHLIGHTS

During the past fifty years Warren County High School has continually prospered. Honors, records set, and other outstanding events have made each year different. The fiftieth year has certainly had important Highlights for all of us. Here, we present these moments to remember to you.

Jeanette Hinkle, marching before the Pep Band at all basketball games, gave W.C.H.S. a half-time show unequaled by any opponent's school.

Dwayne Fletcher scores the only touchdown of the game in which the Wildcats defeated Handley on their march to the first undefeated, untied football season in the history of the school.

Mr. Duff discusses the Merit Scholarship Contest with Joyce Steed, Blake Bacon and Marlene Ford who reached the national finals. Their achievement brought a high honor to the school.

OF THE FIFTIETH YEAR

The Warren County High School Band, directed by Mr. Harry E. Parker, is in concert at the Mosque in Richmond before the State Teachers' Convention.

Explorer Scout Jack Rives, having been chosen as their representative by all the assembled boys, presents to Governor Stanley a special copy of the Scout Handbook. At the right is Mr. George W. Bradley, Jr., district commissioner.

The New York bound Senior Class, in an effort to raise money for this excursion, sold soft drinks, candy, and pop corn at basketball games and sponsored several sock hops.

Connie,

Well, we have really had a ball this year haven't we? All of our wild parties and of course don't forget our troubles and all of the long talks we have had about them. Remember all of our rides and the day you Judge and I decided we would make good explorers. Well maybe we would have if it would have taken us so long to find the clues. Connie, you have really been a true friend. The best to the best you are the sweetest girl I know and with your cute ways and personality I am sure you will always have many friends. To one of my best friends.

"DEEPER LET US TOIL IN THE MINES OF KNOWLEDGE."

In the quiet soothing atmosphere of the library, students toil over their assignments using the many reference and pleasure books for themes, book reports and just plain reading enjoyment.

From a total of 6222 books, including fiction, non-fiction, biography and travel, 15 student librarians circulated approximately 2000 books monthly. From 350-400 students visited the library daily.

STRESSING FUNDAMENTALS . . .

College Boards won't puzzle these students who are studying vocabulary words under Mrs. Czarnitzki.

"LANGUAGE IS THE DRESS OF THOUGHT"

English, as the medium through which we think and express ourselves, was considered the basic subject and was required each year. Classes were livened by discussions, panels, dramatizations, and reading. Literature by outstanding authors stimulated; a consistent stress on spelling, vocabulary and grammar brought about improvement in writing.

Warren High in 1956 was a center of activity for students and faculty. From the shops to the classrooms, it hummed with the sounds of the **1015** young "Warrenites" on the go. Locker doors were slammed as the kids stowed their coats or grabbed books for the next class. Movie projectors purred in the classrooms and quiet conversation drifted from a teacher-pupil conference. The automatic dishwasher rumbled in the kitchen and test tubes clattered in the chemistry lab. Students chatted while waiting in line for Salk shots. Rousing yells shook the building during pep rallies and enthusiastic clapping followed assemblies. After classes were over each day, committees met, athletes, musicians and actors practiced, and journalists worked on publications. These teenagers were on the go.

Behind all of the hustle and bustle throughout the year were the questions: "What shall I do when I grow up?" "What courses do I need to be prepared?" These busy youngsters discovered facts about different occupations in many ways. They fired questions at people who have achieved similar goals and listened eagerly to what these people could tell them. They searched through books, took certain courses, took aptitude tests, joined clubs and held jobs to find out more about the fields that interested them. After analyzing the facts, they made the big decision and set out toward becoming everything from jet pilots to housewives.

The requirements for each was different but there was one common denominator—the **fundamentals.**

BEHIND THE SCENES

Dramatists learn how to produce, on the spot, tears and laughs for play productions. Before a tear-jerker or comedy performance is ready to "go on," details from lighting to the final dab of make-up are studied.

"LANGUAGE IS THE ARCHIVES OF HISTORY"

Nowadays Latin students take home tales of togas and Roman customs instead of just plain verb conjugations and noun declensions—while Mom and Dad listen eagerly—and wonder, "Why wasn't it like that in our day?"

French and Spanish students merged understanding of foreign culture with deeper appreciation of American Democracy.

BUT THE CADENCE OF . . .

"History Teaches Everything, Even the Future"

In the structure, decay and development of history, man finds an answer to the problems of the world now and in the years to come. What better way is there to prevent flaws in our governing bodies and way of life than by studying the serious mistakes and consequences of those who went before us?

The freshman starts with ancient man and his life. Spanning the years to present day life, world history presents to the sophomore the growth of world civilization. They learn that all too often cultures are destroyed by man's hungry quest for power which eventually resulted in the desecration of the "little man" by the powerful few.

But in America, the "little man" found a haven from despots. Through hard-earned rights he became important. Juniors trace this growth of "Equal liberties for all."

Soon to have an important part in solving local, national and world affairs, the seniors react to happenings of 1956 after a thorough study of the state and national governments.

Mathematics, occupies, by virtue of its vital application in almost every field of endeavor, a position of great importance at Warren High. The mathematics courses offered to the students were algebra, plane and solid geometry, trigonometry and general arithmetic. All were taught with one common idea: the student's future, and not the subject's past was of primary importance.

MUSIC OF NOTE—Mr. Parker seems quite proud of the fine performance the trio, composed of Elizabeth Smith, Lydia Peachey, and Barbara Pickrell, gave in the Christmas Concert. Those students interested in music, whether vocal or instrumental, made the school melody conscious through their work. Under Mr. Parker's direction they reached heights undreamed of.

DEVELOPING TALENTS AND

"I MADE IT!"—Richard Williams and Doug Henry are intent on their work in the metal shop, under the supervision of Mr. Robinson. Useful gadgets come from the shop. The rat-a-tat-tat of the riveter and the whine of the electric drill were familiar sounds in metal shop. Not to be outdone by their woodworking neighbors, metal shoppers showed what could be done with power machines and a piece of tin.

PLANNING A DREAM HOUSE ! !—That can be educational is proved by Jimmie Sue Barnette, Jay Crawford, Jerry Williams and Nancy Burke in Miss Woods' art class. Four art classes under the supervision of Miss Wood were taught how to derive their inspiration for drawing from every-day things. They supplied color to our school in the form of posters and displays.

THE ART OF RECREATION

BALLROOM OR CLASSROOM!—Leaving the "three R's" for a moment, Friday gym classes acquired social graces under the guidance of Mr. Miers and Miss McClanahan. Ballroom dancing is provided on Fridays; Physical Ed every other day for everyone through the eleventh grade. A comprehensive program of inter-class sports is offered to all girls and the participation is enthusiastic.

CLASS OF '57

Spotlights for the school bring a look of pride to the faces of Senior Officers: Treasurer Betty Marlow, President Jimmy Fox, Sergeant - at - arms Joe Biggs, Secretary Kay Hinchey, and Vice-President Jay Reed.

In the fall, after receiving our class rings, we became seniors. At last, our turn had come. The dignified and all powerful place to which Warren Highians strive was ours; it was our turn to preside over student organizations, our turn to occupy the front seats in the auditorium. We could rightfully claim the honor and glory found only in the Senior Class.

This was our biggest year, our busiest year. After electing Jimmy Fox as President, we toiled diligently together selling writing paper, and worked during Weaver's Day to make money for our Senior Trip. And oh, the pride we felt at the success of our play—"Dino"; the fun we had experimenting with the new spotlights and dimmers. Dressing up on Friday was something we added to the prestige of the Senior Class.

There were honors that came with being Seniors, too. Joyce Steed, Marlene Ford, and Blake Bacon won the highest academic award the school has ever had by being chosen by the National Committee to take the final Merit Scholarship examination. Phyllis Haffer was elected

THEN GRADUATION . . .

Astounded Roger Boener, a Sophomore, looks at Seniors Jerome Bender, Kay Hinchey, Kay Pearson and Jimmie McIntyre on Friday displaying Senior dignity.

Mr. Saunders, the "official timer" for the vocational tests given to all Seniors, keeps a steady eye on the watch while Kay Armstrong, Doug Bear and Jean Laing test muscular co-ordination.

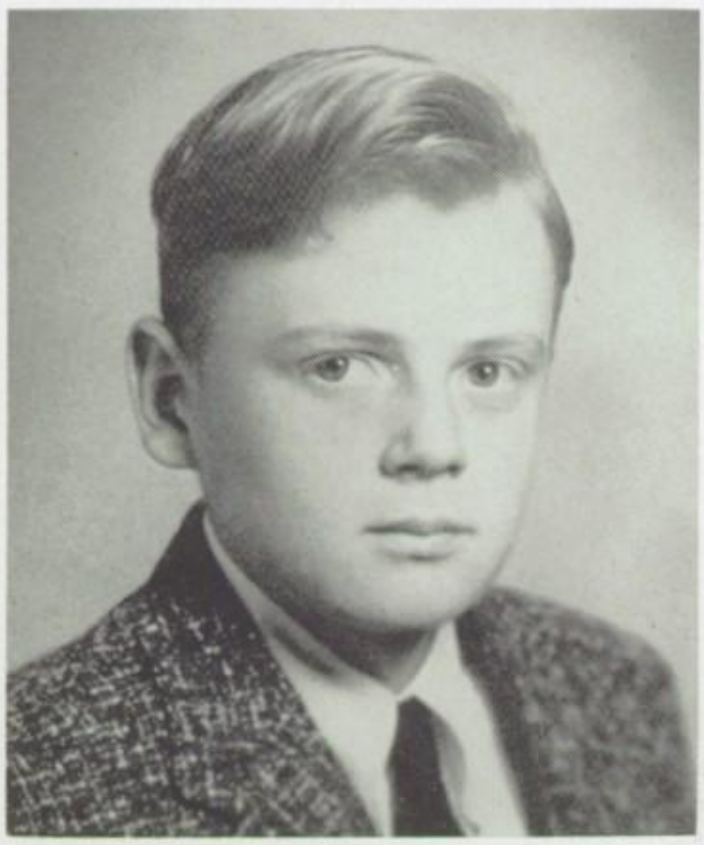
President of the District Tri-Hi-Y and Amos Hollinger, floor leader of the Senate for 1957 Model General Assembly. Dwayne Fletcher was selected for the All-State third football team and we boarded four Trailway buses on April 12 and left for three glorious days in New York.

And yet, in truth, we have not reached the top. Our berth at the peak of a twelve year climb is only another step. In a few short weeks, we shall put on cap and gown and go on—into the future.



IN MEMORIAM

SMITTY BLAKEMORE

The friendliness and helpfulness of Smitty Blakemore are greatly missed by the members of the Class of '57.

Smitty was an active participant in school activities. He served as Vice-President of his Freshman Class, and was a member of the School Patrol and Junior Varsity Football Squad.

Memories of Smitty Blakemore will linger long in the minds of students in future years, for he truly has left his footprints in the sands of time.

Tannis Monnington, Secretary-Treasurer, has just made a suggestion that Tommy Ellis, Sergeant-at-arms; Gene Kendall, President, and Kenny Miers, Vice-President, don't seem to relish.

JUNIOR CLASS

At last the Juniors are nearing the top of their high school ladder. Each rung has brought with it a host of pleasant memories and a feeling of joy over their accomplishments.

Enthusiastically they started off the year's activities by transforming the gym into a miniature football field for the Football Dance which honored the school's undefeated team. Later, after long hours of combined work and pleasure, the Juniors staged their unforgettable Variety Show in which stars and new talent were discovered. Then, of course, there was the Junior-Senior Prom, the dance of the year, entirely planned and carried out by the whole Junior Class.

As a climax to 1957 the Juniors solemnly but proudly, marched up the aisle to receive their candles from the out-going Seniors. Next year will find them ready to meet any challenge and anxious to complete their tasks successfully in their final year of high school.

Connie,
Best wishes to a real swell gal. Don't let too bad on the boys. Remember me and the fun we have had. Don't forget Mr. Parker and Band, Glee Club and everything.

RECEIVE CANDLES . . . READY TO ASSUME SENIOR RESPONSIBILITIES

BERRYMAN ELECTED SOPHOMORE PRESIDENT

The Sophomores are getting set for a responsible and prosperous year. They are Sergeant-at-arms David Grove, Veep Hans Carter, Mrs. Mathews, Secretary Archie Fox, President Mike Berryman, and Treasurer Fred Moore.

The Sophomore Class entered school this year with much pride, enthusiasm, and a great desire to hold their own as one of the proudest classes W. C. H. S. has had.

The **Mirror** Staff offered a victory party to the class buying the greatest number of annuals. The Class of 1959 enjoyed that party on January 9. There were more annuals to be delivered to Sophomores than to any other class.

This same spirit led them to enthusiastically support all school activities and to be "eager beavers" when the Sophomore play and party were in the offing.

As a group they were thoroughly class-conscious but not class bound. Life was so worth living!!

ORGANIZED . . . CLASS OF '60

Hi there! This is the freshman class of W. C. H. S. No longer are they children of elementary grades, but are in their first year of high school.

They even have a voice in the school's government through the Student Council. Nancy Driggs was elected treasurer of the S.C.A. by the entire school. They also elected their own class officers and homeroom representatives.

In the sports field, in clubs, in school activities generally, the members of the class of 1960 actively took part and their contributions were worthwhile.

Not so "green" but certainly "growing" is the class of '60—all **234** of them.

EIGHTH GRADERS JOIN THE PACE

During the first few days of school the eighth graders made quite a few after-bell appearances in class, and gazed wonderingly at the upperclassmen who, even if they didn't know all the answers, at least knew where they were going.

They were eager and alert and soon began to take an active interest in their classes and activities.

These, the newest members of Warren High, have quickly taken their place in their student body and are now ready to take their next step along the trail of education.

This year, before each basketball game and assembly program, the Student Council sponsored the singing of the Alma Mater.

The Octette, a group any girl would be honored to belong to, serves the High School and community with its lovely voices at more than fifteen engagements a year.

Warren County High students have always been proud of their choral groups and this year has been no exception.

The Choral Club, consisting of girls in the eighth and ninth grades, and the Glee Club, comprised of boys and girls from sophomores through seniors who have successfully passed vocal and written exams, have met with their usual success this year under the direction of Mr. Parker.

On December 14th they joined with the band to give their Christmas Concert.

IN A VOLUPTUOUS SWELL

Some of the favorite selections which helped make the concert a wonderful performance were, "There's a Song in the Air," "Winter Wonderland" and "Santa's on the Way."

Later they presented the Spring Concert which was equally successful. The audience overflowing the auditorium and the rounds of exuberant applause for each performance were the rewards for a year of hard work, theory, and voice development. These talented voices are to be remembered with deep pride.

The flying fingers of G. Greenwalt, F. Stevens, and C. Overstreet provide accompaniment for the choral groups.

Mr. Parker is ready to lead our band in another outstanding performance.

MASTERS OF MELODY

Everyone appreciates a rousing march or the faith joint strains of a delicate melody, and the Band, talented energetic musicians, under the direction of Mr. Parker, assisted by student director, Amos Hollinger, provides just this. Each seventh period they assemble to practice the music which they play in many appearances before the student body and the public.

For the student, the band provides an opportunity for study and advancement in musical instrument, gives him or her an understanding and appreciation of good music, and gives him the opportunity of playing in a group and participation in the activities of the group.

The Ensemble, composed of some of the more outstanding musicians of the school, adds greatly to the Music Department's bi-annual concerts. Seated at Piano: G. Greenwalt. First Row: J. Miller, C. AND MARCH

Diligent effort and teamwork have placed the band among the state's best. This year the W.C.H.S. band performed at the Mosque in Richmond, entertaining the audience well from the beginning Spanish march "Amparita Roca" to "Blackjack," the closing number. Judging by the applause, the annual Christmas and Spring concerts were very successful also.

Best of Luck to a real sweet pal. Bigood and the future to a real sweet pal. Bigood and I know you will go far. See you in band next year playing the Bassoon

Best of Luck to real nice and sweet friend. Best of Luck in every thing you do especially Basoon.

To all true actors, "THE SHOW MUST GO ON." This year when the curtain rose on the Dramatic Club, "Snappy" Whitside starred as president, ably supported by the rest of the club. Miss Wood and Miss Carter shared the spotlight as sponsors.

Whenever Warren County is in need of excitement, we can always count on the Dramatic Club to come up with something new and spectacular. They proved this to us when they brought to our stage the three act play "Molly O'Shaunessy" and "The Man in the Bowler Hat," their entry in the One Act Play Contest. Always working to improve themselves, on and off stage, the Dramatic Club has proved worthy whether the particular role was acting, or the less glorified work in staging, prompting, or costuming.

LATINA

"S.P.Q.R." and "Inter Nos" are the respective names of the newly formed first and second year Latin Clubs in Warren High. They were organized by the Latin students under the direction of Mrs. Rives, for the purpose of teaching their members Roman mythology, history and life, that is not taught in class.

All year they have very interesting programs, but the biggest event of the year comes in the spring when both clubs join together for the Olympic Games, which consist of chariot and foot racing, and discus throwing. Afterwards they meet for a big feast during which they "sell slaves".

These spunky people have learned and accomplished much throughout the year and are looking forward to the next.

GRAND CHILDREN . . . BEWARE OF THESE

Looking into the teaching profession, the members of the Tyler Miller Chapter of the Future Teachers of America, under the sponsorship of Mrs. Duff, had an active schedule this year. At their bi-monthly meetings they had interesting discussions on the different teaching phases—professional attitudes, desirable qualities, leadership ability, and methods of teaching.

Touring the campus of Mary Washington College, learning about college life—assisting the teachers at the Elementary School and at A. S. Rhodes—gaining experience in elementary teaching—substituting at a class at the high school, Margaret Wood, President, led them. As they realize the need and value of teaching, the members are looking forward to the day they go out into life and their chosen profession—teaching.

WHITE CAPS

The influence of Florence Nightingale has descended into Warren County High School and a new club has appeared—the Future Nurses Club. These 56 girls led by President Jane Wilkinson organized to encourage interest in the nursing field and to help the members to understand the profession.

This very energetic group set up many projects—to visit the University of Virginia Hospital, Virginia Medical Museum, and the Medical Museum in Washington; to have classes in home nursing and first aid; and to bring more value into their meetings with guest speakers and movies. For a fledgling club they were successful in fulfilling their plans.

Typists, bookkeepers, stenographers—the Future Business Leaders of America is the club for them. With Kay Pearson as President, this up and coming club kept busy throughout the year. Visiting a business office in town, presenting the amusing Halloween Talent Show, and serving as secretaries to members of the faculty were included in their many activities. In the Spring several delegates attended the regional meeting at Madison College with their sponsors, Mrs. Mathews and Miss Colvin. There they entered several contests which tested their knowledge of the business profession. They proved their worth.

Copping top honors at the Northern Virginia District forestry judging contest is the new feather in the hat of the local Future Farmers of America. Amos Mitchell, Paul Mitchell, and Ray Partlow made up the team that won the coveted bronze emblems. Before winning this honor, they had won the Federation Award for the fourth consecutive year.

Members' activities have been many and varied. This year the boys, under Mr. Foster's guidance, have stressed the raising of pure bred beef and dairy cattle and hogs. The entire group is quite active and very closely unified.

TOWARD NEW HORIZONS

In keeping with any good homemaker, the F.H.A. has led an active and helpful year. They served at the College Day Banquet, the Football Banquet and many others —an indispensable service. Dressing dolls for the Salvation Army, distributing the Christmas stockings to the homerooms where they were filled by the students for needy families, and making small baskets which were filled with candy for the hospital kept the one hundred nine F.H.A. girls, led by President Alice Sealock, quite busy.

Delicious hot biscuits are in the making. C. Ramey, G. Gray, and C. Hullihen take pride in their cooking.

DEVELOPING LEADERSHIP IN BUSINESS

The Distributive Education Club, better known as D.E., is a state wide organization for students who wish to further their education, experience, and interests in the business world.

The D.E. Club, under the guidance of their President, Arnold Williams, and sponsor, Mr. Hartman, strives to gain knowledge and an understanding of business throughout Front Royal. Each day the D.E. student attends a class where he learns more about the places where he and his friends work. Later in the day, classes completed, they go to their job, and they learn to become successful businessmen.

The Club held a banquet at the Virginia Gentleman Restaurant that employers and employees alike attended. This helped to promote a better feeling and understanding toward each other.

With the help of Warren High's outstanding salesmen the Magazine Drive, sponsored by Mr. Hartman had a very successful year. Their hard and ever-ready work will be remembered by all of Warren High's students.

ANATOMY, BUGS, CHEM—ABC'S OF SCIENCE

The Science Club, with its president, Freddie Moore, is really popping this year. They observed Thomas Edison Day by performing some of Edison's experiments in electricity and studying his life and achievements. All this proved quite interesting to the members. Their sponsor, Mr. Hall, strongly interested in the activities of the club, is a firm "backer up" of each member. You can almost always tell when the Science Club is busy at work from the fumes escaping from the Lab. If you were to take a peek you would see a group of serious-minded people getting an education in the field of science.

REEL CRAZY

Under the superior guidance of Mr. Roy Unger, the Warren High projectionists have done a very good job in aiding our faculty with its program of visual aid. With the movies and slides of modern teaching so much in demand, this club is indispensable to our school.

WILD KITTIES OF THE "W"

These girls, wearers of the varsity or intramural W, are the select and honored members of the Monogram Club. Of course, it takes diligent work, practice and skill to earn the letter, whether it is achieved in basketball, softball, cheerleading, intramural sports, or managing. Each month they meet at the home of a member who acts as hostess and serves refreshments.

The members have become part of the atmosphere of the football and basketball games. They sell candy, Warren Hi pennants and stickers in the lunch room to finance their trips to the Ice Capades and a week-end at the beach with their sponsors, Miss Colvin and Miss McClanahan.

Lead by President Mona Peffer, each member makes it her own responsibility to see that high standards of sportsmanship are maintained in the school, and lives by the "Sportsman's Creed."

QUILL AND SCROLL

Quill and Scroll is a national honor society for juniors and seniors who have made outstanding achievements in the field of journalism. Last year, for the first time, a Quill and Scroll Chapter was started in our school and Jean Harrison, Bennie Burdette, Bonnie Bryant, Mona Peffer, Mary Sours, and Violet Pickrell from the newspaper staff qualified for membership and were accepted.

To become a member, a student must have fulfilled the qualifications and be recommended by the sponsor of the organization.

THEY SPARKLE ON THE SIDELINES

The Varsity Cheerleaders, whose gyrations and gymnastics have become an indispensable part of every game, provide zest and pep during athletic events. Snappy in their maroon and white uniforms they add to the spectator's enjoyment and help give the teams encouragement by leading the well-known school songs and cheers.

This year the hardwork and practice of the cheering squad, led by Mona Peffer, and directed by Miss McClanahan is evident in their improved skill and synchronization. They have done a hard job well and are a real credit to our school.

Coach Miers and Coach Barnett discuss the future

RONALD BREEDEN

The 1956 Football Team, having been left without a head coach one week before their opening game, certainly proved to everyone what a courageous, hard-working group of boys can do, as they became an undefeated, untied football team,—a team which showed excellent sportsmanship, always remembering that they represented Warren High. The boys, who had trained during the summer under the direction of Coach Paul Flick before he left Front Royal, were pleased with the appointment of "Eck" Miers as head football coach, because he had already won a place in the life of each of them during his six years at W.C.H.S. Assistant Coach Ralph Barnett from Charlestown was a valuable aid to Coach Miers.

The team, full of enthusiasm and determination, took the field with Jimmy Fox and Gene Kendall as Co-Captains. The only dark spot of the season came in the first game when Jimmy Fox broke his wrist and was out of action for the remainder of the season. The fast, hard driving, and alert backfield consisted of Gene Kendall, fullback; Dwayne Fletcher, Arthur Settle, Jimmy Fox, and Jay Reed, halfbacks; and the slick ball handler, Cowboy Henry, at quarterback. The ends, Joe Biggs and Stuart Riley, helped with the yard gaining and scoring. The records show that these players scored 170 points while the strong line of the Wildcats held their opponents to 49 points. The mighty line is not to be overlooked, because without their opening up the holes and doing expert blocking, the backs wouldn't have fared so well. The stalwart tackles were John Marlow, Earnest Wines, Ronald Breeden, and Paul Mitchell. Joe Boies, Charles Burke, Rennie Cooke, and Bill Lehew did the duties of guards, and Jimmy Brown and Joe Boies played center for this victorious team.

The team set many records and will long be remembered by everyone in this area. Dwayne Fletcher broke the school record and led the District by scoring 99 points. Dwayne also made the Third All-State Team, and Gene Kendall received All-State Honorable Mention. The Wildcats, who resembled a small college team, now have many members who are receiving athletic scholarships, offered by leading colleges and universities.

Ready for action, the Wildcats line-up: Biggs, end; Boies, tackle; Burke, guard; Brown, center; Lehew, guard; Marlow, tackle; Riley, end. In the backfield: Fletcher, halfback; Kendall, fullback; Henry, quarterback; Settle, halfback. Not pictured: Breeden, tackle.

THEY BATTLED AND SCORED

WHILE ROOTERS YELLED THEM ON

Warren, 33; Luray, 0

The Wildcats of Warren County, with Coach "Eck" Miers at the helm, journeyed to Luray to meet the Bulldogs in their opening game. Scoring early in the first quarter, the Wildcats could not be stopped as they went on to score five touchdowns and three extra points. Accounting for these points were Dwayne Fletcher with three TD's, Jimmy Fox with one, and Cowboy Henry with one. Luray was never near pay dirt against the strong W.C.H.S. line. The Wildcats emerged the victors in this contest by a 33-0 score.

Warren, 13; Clarke County, 7

Opening their home season against the Eagles of Clarke County, the W.C.H.S. eleven provided another pigskin thriller for their many fans. However, this time the assignment was a little harder, but the Wildcats proved themselves still unconquerable as they downed the visitors from Berryville 13-7. With two minutes remaining in the game and a 7-7 tie, Joe Biggs snagged a pass from quarterback Cowboy Henry and scooted over the goal line. Dwayne Fletcher scored the other TD.

Warren, 26; James Wood, 0

Putting their undefeated slate on the line against another undefeated team, the James Wood Colonels, the Wildcats again emerged victorious. The first half saw both sides evenly matched as neither team would budge. Late in the second quarter the Wildcats began to look stronger, and in the third period Dwayne Fletcher, Art Settle, and Gene Kendall scored for Warren County. In the fourth quarter Fletcher scored again. Thus, the game ended with the Wildcat eleven on the long end of a 26-0 score.

Warren, 19; Osbourn, 14

The Wildcats returned home to face undefeated Osbourn High of Manassas. The game was a real thriller all the way. Big Gene Kendall scored first, and early in the third period Joe Biggs scored. For awhile everything was bright for the Cats as they led 13-7, but Osbourn scored early in the fourth quarter. The Wildcats trailing with about two and one-half minutes of playing time remaining, Fletcher made the final score, and another previously undefeated team fell before the powerful Wildcats 19-14.

Warren, 6; Handley, 0

With the game that is always the highlight of the season facing them, the Wildcats sharpened their claws and took the field against their long time rivals, the Handley Judges. The early part of the contest, which was played under wet and muddy conditions in Bing Crosby Stadium, looked dark for the Wildcats. The defense on both sides tightened up, and the game was scoreless until the third period. Then came the turning point of the game; Captain Gene Kendall blocked a Handley punt and Warren took over on the Handley 24-yard line. Fletcher then carried the ball to the one foot line, and seconds later as 4,000 fans stood breathless in the stands, Dwayne plunged over for the game's only score, thus racking up another Wildcat victory by a 6-0 score.

Warren, 14; Harrisonburg, 7

Carrying their undefeated record with them, the Wildcats went to Harrisonburg to battle the Blue Streaks. On the second play of the game Gene Kendall, the big fullback, ran 63 yards for the first score. A Wildcat fumble set up a scoring play for the hosts. In the second period end Smiley Riley intercepted a Harrisonburg pass and raced 56 yards for the second TD. The Wildcats were much the superior team, but strange penalties kept them from scoring up to their ability, and the game ended 14-7.

Warren, 26; Broadway, 0

With only the Broadway Gobblers standing between them and the District 10, Group II crown, the Wildcats made easy prey out of the visitors and became District Champions. Two TD's came in the first period as Fletcher and Kendall scored on 39 and 41 yard runs respectively. In the second quarter Fletcher carried for 67 more yards and reached pay dirt for the second time. Then in the final period Cowboy Henry scored on a 25 yard sideline run. So, the game, having been played in a sea of mud and with the rain still falling, ended 26-0, and our gridiron giants were the Champions.

. . . AND COULD NOT BE STOPPED!

Warren, 13; Martinsburg, 7

The champions journeyed to Martinsburg to face the Cumberland Valley League team, seeking their eighth straight victory, and they found exactly what they sought. Dwayne Fletcher was the hero of the night as he scored in the second and fourth quarters and converted the one extra point after touchdown. Again it rained, but the Cats kept their record clean as they out-swam the Bulldogs and stacked up their eighth in a row by a 13-7 score.

EARNEST WINES

Arthur Settle eludes James Wood, tackler, as John Marlow clears the way.

Warren, 20; Fort Hill, 14

For the closing game of the season and also THE game, the champion Wildcats made the long trip to Cumberland to face the tough Fort Hill Sentinels, the "Class" of the Cumberland Valley League. Big Gene Kendall crashed over for the first score of the game from the eleven yard line. Dwayne Fletcher took the second half kick-off and streaked 89 yards for the second touchdown. But in the fourth period Fort Hill came to life and tied the game up 14-14. With time running out, the moments were anxious for both players and fans, but Dwayne Fletcher again came through when his team needed it most to score from the five with a minute and a half remaining on the clock. This important victory made our Wildcats an undefeated, untied football squad.

Cowboy Henry leaves his Osbourn opponent behind as he gains yards for the Wildcats.

"Long John" Marlow jumps with Richards as the game with Elkton gets underway.

The Wildcats' Basketball Team, led by Captain "Long John" Marlow, took the court with high aspiration. Winning their first six games, it appeared that they were well on the way to their goal. But a basketball picture can change overnight, and the situation began to reverse. The team played about .500 ball for the remainder of the season. However, when the 'Cats lost a game, it was usually by just a few points and on several occasions it was necessary to play overtime.

District 10 displays a fine brand of basketball. The teams were evenly matched and the competition was keen, as each was fighting for a berth in the District Tournament at Broadway. The race was tight right down to the final buzzer. One week before the tournament opened only two teams were certain that they would be there.

Warren County finished in sixth place with an overall record of twelve wins and seven defeats, and each game had plenty of thrilling moments.

WILDCATS ON THE DIAMOND . . . AND TRACK

The '56 Baseball Team completed a successful season with a 7-4 record. Moundsmen for this team were Giles Darr, Duane Smith, and southpaw Russell Liskey. Tuck Campbell and Stuart Riley were behind the plate. In the infield the Wildcats had Phil Shiner, Ronnie Jordan, Warren Miller, and Jimmy Brown. Outfielders were Billy Smith, Roger Manuel, and Gene Kendall.

Although five of these players were lost through graduation, the '57 team expects to display an even better record with the return of seven lettermen.

The '56 Track Team, led by Captain Joe Biggs, raced with the wind and jumped straight to a victorious season. Track was a relatively new sport on the Hill last year, but the team made it very much a part of the athletic program by winning two meets and capturing second place at the District Meet. With the return of twenty capable veterans even greater heights can be attained by the '57 team.

HAPPY BASKETEERS

Action was the keynote of the basketball season this year. The girls, led by Captain Kay Hinchey and coached by Miss McClanahan, put the victories and defeats of last year behind them and considered each game of 1957 a new opportunity for further development in technique and team work.

Throughout the season the Team's fighting spirit accounted for many thrilling games which kept the spectators perched on the edge of their seats until the final whistle.

Although "the Wildkitties" were not always on the long end of the score each player fought courageously and never forgot to maintain good sportsmanship, exemplifying in her play the true spirit of W.C.H.S.

Betty adds two more points to a winning score for the "Wildkitties."

IT'S A GIRLS' SPORTS WORLD IN G.A.A.

The officers of the G.A.A. hold a special meeting in Miss McClanahan's office. Seated: Pat Bryant, Point Recorder; Miss McClanahan, Sponsor; Charlotte Menefee, President. Standing: Sandy Gott, Secretary-Treasurer; Joyce Baggarly, Manager of Bowling League; Betty Lee Morrison, Vice-President.

Jean Mc Clanahan

The Girls' Athletic Association, which promotes and develops athletics in Warren County High School, works through a council composed of the Homeroom Sports' Managers elected by the girls in each homeroom. These Managers set up the point system and do their best to handle any problem which might arise concerning intramural sports.

In order to become a member of the G.A.A. a girl must earn one hundred intramural points, and must continue to earn this number of points each year.

The Club's chief aim is to cultivate a spirit of fellowship and cooperation, to promote good sportsmanship, and to provide recreational activities so varied that every girl can find a sport to interest her.

THE MAPLE POUNDERS

Twice a week, on Wednesday and Thursday, groups of girls from Warren High meet at the bowling alley, roll up their sleeves and get set to test their skill. Team competition is keen and novices at the game eagerly pick up any pointers the more experienced bowlers might bring to their attention. Everybody learns to know the pleasure of an occasional "spare" and the rare thrill of a "strike," and all have a wonderful time in the process.

DINO—Amos Hollinger, playing Mr. Sheridan, the psychiatrist, quietly listens as Warren Whitside, starring as Dino in the Senior play, tells of his brutal life. Carefully Dino is guided to improvement.

"Go ahead, Pop—the punching bag's home again," screams Dino to Joe Boies, his father; Bobby Fogle, as "little Brother" Tony, is aghast.

THE STAGE OUR

The study of lines, the hours of practice, the footlights, the greasepaint, and the set come first, and then as the curtains open the big dramatic productions on Warren High's stage become our Broadway. The Dramatic Club's

The Friday Night Dance at the Settlement House begins to liven up. Betty Whitenack, as Jackie, is showing a new jitterbug step to Shirlie, portrayed by Mary Green.

MOLLIE O'SHAUNNESY—Turner Clem, as Jed, pays a surprise visit to his sister Mollie, the star of "Mollie O'Shaunnesy," portrayed by Nancy Burch.

"Oh, Pa—Don't die," Mollie pleads but Sheriff O'Shaunnesy played by Frankie Carter, replies—"I'm going out with my boots on, Mollie girl."

THE NATIVITY—Madonna and Joseph in the Christmas Pageant presented by the Y groups.

LAND OF FANTASY

"Mollie O'Shaunnesy," the Senior Class' "Dino" and the Junior Variety Show, "Bar-58" were all smash hits.

The entry for the One-Act Play Contest and the Sophomore Class play are coming attractions as the MIRROR goes to Press.

Smiley Riley, starring as Dr. Anthony, lectures on the affairs of a young love life in the Junior Variety Show.

BAR-58—The "Rangerettes" perform their dance routine during the "Bar-58" talent show.

The Class of '58 climaxed the presentation of "Bar-58" by singing their class song.

Jean and Mr. Brownlee have just announced the new Wa-Co-Hi-Lights Staff officers at their banquet last spring.

Miss Louise Bernard speaks to D.E. Club members and guests at their annual banquet.

FOOD AND FESTIVITIES

Variety is added to our everyday life with banquets, at which we feast and celebrate our accomplishments, and with formal dances where we really step out into the social world for an evening of special memories.

At the Football Banquet an undefeated football team was honored. The **Wa-Co-Hi-Lights** and **Mirror** Staff climaxed their year of work on school publications with annual banquets. The D. E. Club had a banquet to complete their year of successful achievements.

The most important dance of every year is the Junior-Senior Prom. Last spring the Junior Class entertained to the theme "Deep Purple" and transformed the gymnasium into a dream garden with ivy-covered walls, and a central pool on which orchids were floating.

The Eighth Graders became sophisticated by having a party of their own, and selecting a King and Queen. Food and festivities actually make our school life complete.

ROYALTY ON REVIEW . . .

At two of Warren High's big dances a touch of royalty is added by the crowning of a queen. In November at the Football Dance, sponsored by the Junior Class. Betty Marlow stepped forth from a maroon and white football to receive her crown. Queen Betty and her court were nominated by the football team. At the annual Sweetheart Dance, sponsored by the Tri-Hi-Y and Hi-Y Clubs, Sandy Gott reigned as queen. Amid beautiful red and white decorations, Queen Sandy and her court were all sweethearts.

The F.F.A. Forestry Judging Team, consisting of Turner Catlett, Paul and Amos Mitchell, with their sponsor, Mr. Foster, won the Federation and District championships and placed third in the state contest.

Sonja Tolbert records her winning Voice of Democracy Contest speech as "Colonel" and the runners-up listen.

AS THE YEARS WENT BY

As the year went by incidental events were added to our Golden Memories. Warren High was host to conventions; there were entertaining assembly programs; and new talent was discovered. As we gaze back, we discover that 1957 has been a busy and exciting year.

Connie ("Lil Sister"),

Here's wishing all the happiness and luck possible in the whole world to one of the greatest and I mean great girls in W.C.H.S.. Connie I really value your friendship because you're so sincere and swell in all your ways. Don't ever change one little bit. Hold dear to that most wonderful character and just keep yourself as you are. Make the most of them.

I'll never forget you and all my kiddin' around. P.S. - you think we will ever be able to keep a straight face? Keep your great sense of humor!

Best year be sure and write to me and when you come to Richmond come and stay with me. I'll love to have you any time. Don't forget to write either. Be sure and take care of yourself up at W.C.H.S. I certainly will miss it. It's the most to say the least.

Connie, I'm coming to the end of this page and I could cry. It makes me so sad to say good-by to such a wonderful girl. But I know you will keep in touch with me. You will always be in my books! I honestly think there couldn't be a finer girl anywhere.

Bye "Lil Sister" it's been more than wonderful knowing you and having you for a friend. I hope we will always be as good friends as we are now. I'll miss you next year. Be good and have fun. Lots of love

ADVERTISEMENTS...

Graduation - - -

to a lifetime of adventure

Yes, there ARE new worlds to explore. New frontiers in science, in industry, in marketing and finance, and in education are challenging the ability and imagination of graduates who are determined to make the American Dream come true for themselves and their families. In a dynamic, expanding America, there is high adventure awaiting you. Adventure in satisfying, productive work, and adventure in successful living.

American Viscose Corporation is one of America's most adventurous companies. Pioneering the man-made fiber industry, Avisco* products have made many significant contributions to the textile and packaging industries. Today, approximately one-third of all man-made fibers manufactured in the United States are Avisco fibers and nearly one out of every three products packaged in cellophane is wrapped in Avisco cellophane.

Here in Front Royal, many of the highly skilled technicians producing rayon tire yarn and rayon staple are graduates of local high schools. And the future will undoubtedly provide many more opportunities for area graduates looking for a satisfying career.

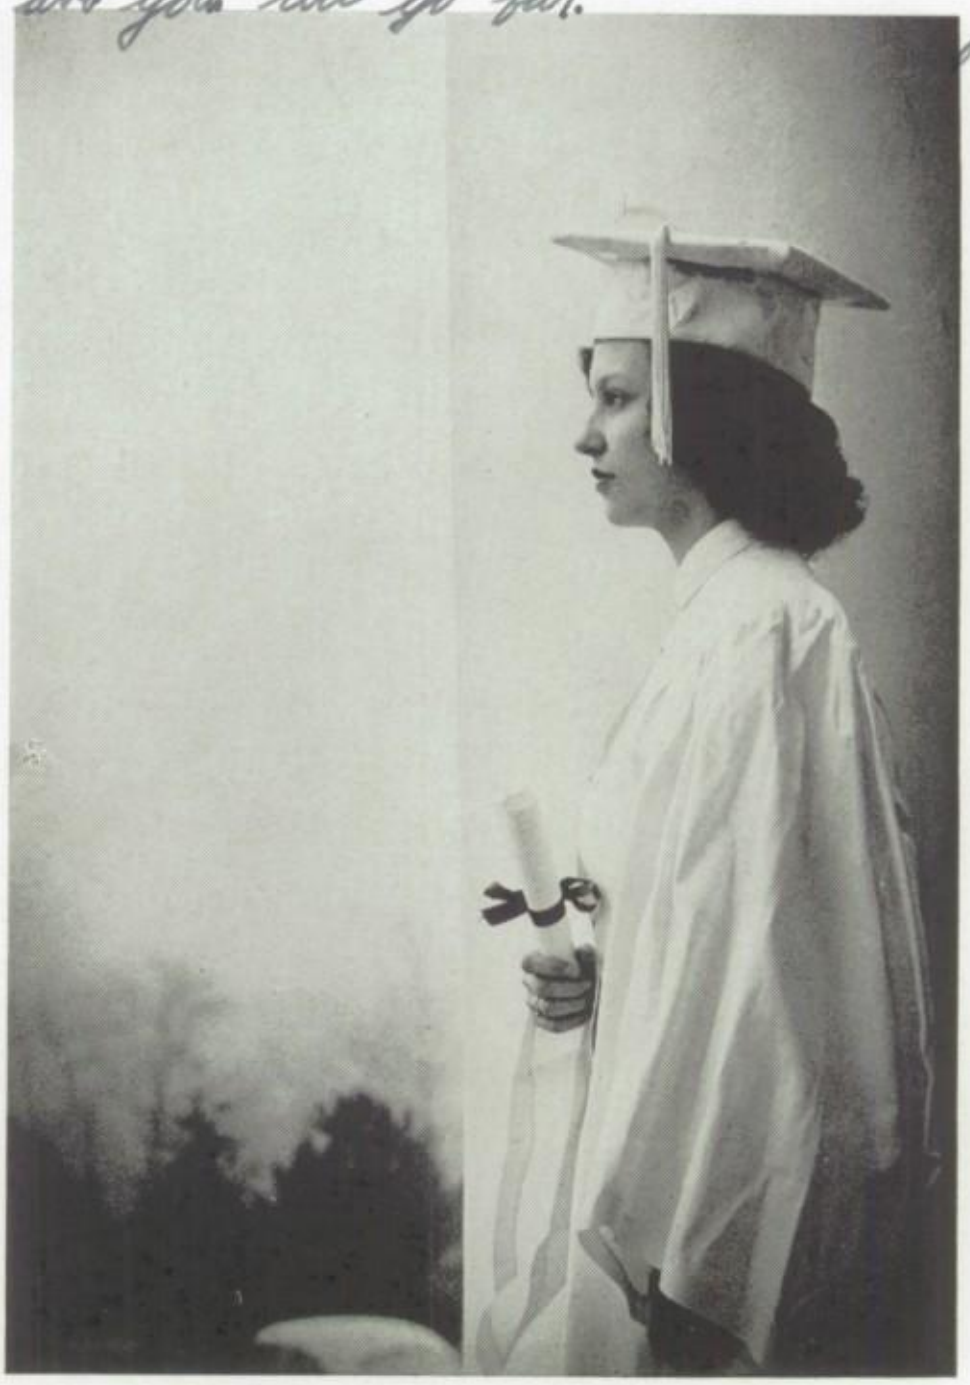
Connie

Best of luck to a real nice girl. It has been fun having you as a friend. It's really a thrill going with you in my Senior year. You really showed me a good time. I won't forget all the fun we have had. I know I will never forget it. I will remember the two proms we went to and many other places. I also care of all the boy's next year. also the girls. Stay as nice as you are and you will go far.

Nice.



And as the fiftieth year comes to its dramatic climax—graduation, minds wander from the ordinary, everyday thoughts and ponder the future. As the golden twilight of that June night settles over the town, graduates, underclassmen, and alumni pause and realize the gifts of the past—the challenge of the future.

Dear Connie,

First of all I want to thank you for the delishous (I can't spell) strawberries. No Kidding, Con, you are really are a wonderful friend. When I first moved here, I had no idea that they would ever be people like you! You sure are lots of fun!. (even at times when I positively can't stand you - you still are fun)!!!!. Never forgt me struggleing in old Latin Class. Brother, I'm sure glad thats over. Haven't we had fun tho? At Penny's party - you jitterbuging - never forget your little "jump" It's priceless! "It all started with Romulus and Remus" - was a favorite of ours, too wasn't it? Then there was the Tri-Hi-Y picnic and the Latin one, too - all of them were fun - Next year, here's hoping we'll have just as much fun our remaining two years -

Connie, you have a bubbling personality! Keep it always - I hope I will always be a good friend of yours - Ever

As Ever
